

# techx

empowering students through technology

## WHO WE ARE

We are a student-run organization that aims to **empower** MIT students by bringing cutting-edge technology, new ideas, and top tech-innovators to campus.

## WHAT WE DO

## COMMITTEES

- HackMIT

Logistics

Corporate Relations

MakeMIT

THINK

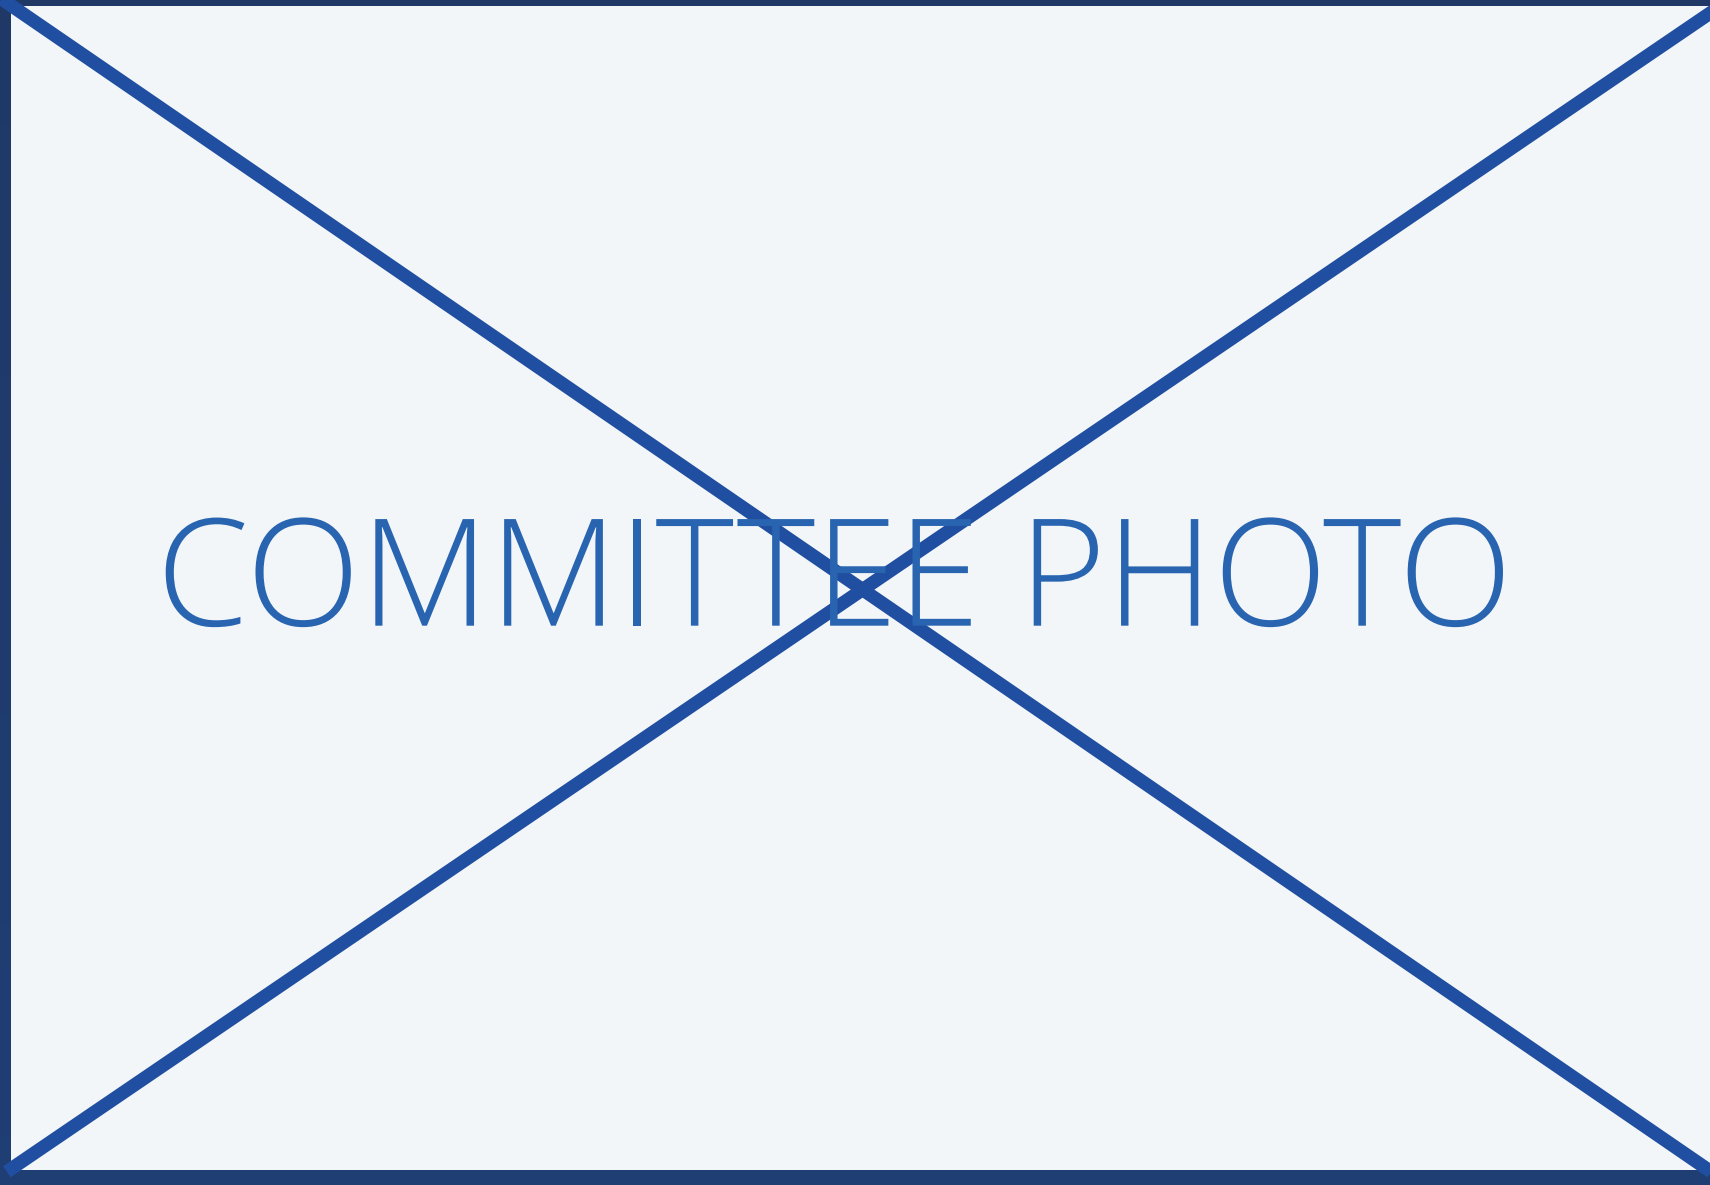

Student Relations
- Developer Operations

Marketing

Internal Relations/Finance

### HackMIT

As the HackMIT team, our mission is to push the forefront of innovation by providing opportunities for students to work in a high-energy, collaborative environment. We put on HackMIT, the largest hackathon at MIT, and Blueprint, a high school hackathon.

## THE TEAM
